In Re:

KENNETH E. WRIGHT
KENNETH WRIGHT, D/B/A THE WOOD DOCTOR

Dear Judge Poslusny:

Please accept this request in lieu of a more formal brief or motion. I am requesting an adjournment for the Motion for relief from Automatic Stay hearing submitted by U.S. Bank National Association, as Trustee originally scheduled for June 19, 2018. The original date was rescheduled to June 12, 2018, by the Court. I submitted a request for an adjournment and it appears you granted the request. However, the Motion was moved back to its original date of June 19, 2018. I am requesting the hearing be rescheduled for June 26, 2018 or July 03, 2018. The request is being made in good faith in order to submit an objection to the other party. In addition, as I expressed to the Court, due to exceptional circumstances regarding various Stay violations, I needed more time to attend to this matter.

Judge Poslusny, I thank you in advance for your consideration in this matter.

Respectfully submitted,

Without Prejudice UCC 1-308
